# Public Comment

Date 4/30/97

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

People need to be encouraged or  
motivated to use less water in order  
to replenish the Bay and Delta. We  
(the public) should not be expected  
to foot so much of the bill  
for water use of large corporate  
farms.
